Termination Notice

The Board of Directors of the Company (the “Board”) took note of the transition from the Underlying of the Affected Products, Fantom (FTM), to Sonic (S) with bidirectional swaps only possible until 18 March 2025. Due to insufficient service provider support for Sonic (S), transitioning the Underlying of the Affected Products from Fantom (FTM) to Sonic (S) is not feasible.

The Affected Product tracks the performance of Fantom (FTM). Fantom (FTM) is currently undergoing a transition to Sonic (S), with Sonic (S) having been launched on 18 December 2024. While Fantom (FTM) holders will be able to switch to Sonic (S) on a 1:1 basis for six months after the launch of Sonic (S), bidirectional swaps will only be possible until 18 March 2025. At this time, not all service providers do yet support the infrastructure required for a smooth transition from Fantom (FTM) to Sonic (S) and are not able to provide this infrastructure in a reasonable timeframe that considers the interests of the investors. As a result, 21Shares AG cannot guarantee sufficient liquidity in its Affected Product after 18 March 2025.

Therefore, based on Condition 5.1 (*Termination and Redemption of Products by the Issuer*), 21Shares AG hereby gives this Termination Notice.

Pursuant to Condition 5.1 of the General Terms and Conditions for the ETPs, including the Affected Products, the Issuer may terminate and redeem the ETPs outstanding in any Series in whole but not in part at any time, at the Issuer's sole discretion and without any further consent of or approval by the Investors.

The Issuer has decided to terminate and redeem the Affected Products in accordance with its Conditions by payment of the Redemption Amount to the Global Paying Agent with effect as of Monday, 10 March 2025.

The last trading day of the Affected Products will be Monday, 3 March 2025, with the Affected Products being delisted after market close as per 3 March 2025 from each exchange where the Affected Products are listed. The last date for creations and redemptions between the Authorized Participants and the Issuer will be Tuesday, 4 March 2025.

Final Fixing Date

The Final Fixing Date, *i.e.* the date for the determination of the Redemption Amount, will be Thursday, 6 March 2025.

Redemption Date

The Redemption Date, in accordance with its Conditions by payment of the Redemption Amount to the Global Paying Agent and payment through the clearing systems, will be Monday, 10 March 2025.

Investors do not have to take any action, as the Redemption Amount from the sale of the Fantom (FTM) Underlying will be automatically credited to their accounts. However, they should keep in mind the ongoing transition to Sonic (S). While a 1:1 bidirectional switch is possible until 18 March 2025, as announced by the foundation, there is the possibility that the prices of Fantom (FTM) and Sonic (S) will differ significantly in the meanwhile due to lack of arbitrageurs. As the Affected Product follows the price of Fantom (FTM), 21Shares AG cannot not guarantee that the Fantom (FTM) price on the Final Fixing Date will be the same as the price of Sonic (S) and will therefore determine the Redemption Amount on a best effort basis in line with the Fantom (FTM) price and in accordance with the formula set out in the Final Terms applicable to the Affected Product (see below at "*Redemption Amount*"). Investors holding the Affected Product, including those who wish to follow the price of Sonic (S) rather than the one of Fantom (FTM), will be able to trade/sell the Affected Product until the last trading day on BX Swiss and Euronext Amsterdam and Paris (see "*Termination Notice*" above).

Investors may experience a delay until their respective Redemption Amount is received by their financial service provider where their Affected Products are credited.

Redemption Amount

As per the terms and conditions of the Affected Products, the Redemption Amounts will be calculated in accordance with the formula set out in the applicable Final Terms. Given the ongoing transition from Fantom (FTM) to Sonic (S), the price used for the calculation of the redemption amount may differ from the price of the Underlying Fantom (FTM) on the Final Fixing Date. The Issuer will determine the Redemption Amount on a best effort basis, meaning they will try to minimize the impact of factors associated with the ongoing transition including, but not limited to, liquidity constraints and execution slippage.

The Redemption Amounts will be announced on Friday, 7 March 2025.

Settlement

The Affected Products are cleared and settled through SIX SIS Ltd.
